INTENDED FOR READING

Charles Dickens will go down to history as the DISCOVERER OF CHRISTMAS.

To discover the unknown is commonplace, but to discover the existence of the well-known requires genius.

Dickens found Christmas in a neglected corner, lifted it into the limelight, and it exists to make life good.

Christmas giving is now the fashion; FASHION IS LIKE LOVE; one does not explain it—one submits to it.

However the market may vary, happiness is purchased at the same old price; the greatest happiness in life has been in seeing the happiness we give to others; without that incentive the world would be like a WATCH ROBBERED OF ITS MAIN-SPRING.

We pay for every advantage we possess, and with this season of good-will to all, come the perplexities of Christmas Gifts.

As nature provides an antidote for every poison, so Consulting Philanthropists are found to help you in your Christmas distress. Helping to spend OTHER PEOPLE'S MONEY is a luxurious emotion.

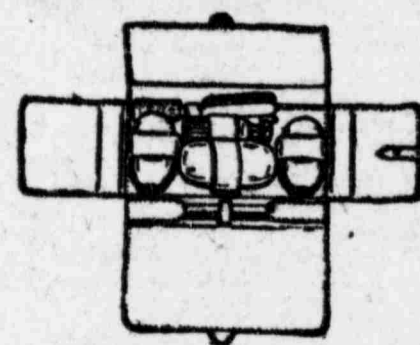

The schoolboy's definition of an optimist was, "A person who attends to other people's eyes"; an ocular blunder that has more wisdom than first meets the eye; without any more "WORDS AND MUSIC" we are equipped to help you see things in a more cheerful light.

WE ARE CHRISTMAS SPECIALISTS.

We undertake to relieve the season's burdens and embarrassments of choice; to select suitable articles for old and young, rich and poor, the learned and the unlearned, and particularly for that unfortunate being, "THE ONE WHO HAS EVERYTHING"; he has nothing left to live for.
